Regathering Update

We will be online only July 12.
Please watch Facebook
for further updates.

Dear Church Family,

I want to first start by thanking you for being so understanding and flexible as we made the tough decision last week to go back to virtual worship for the next couple of Sundays. While we are thankful for technology and live streaming, we also know that it could never replace the face-to-face interaction that corporate worship provides. Being together in one place for worship is important, and we are hoping to start back real soon.

Over the past week and a half we have had several meetings with our leadership here at the church (pastors, ministerial staff, deacons, and medical professionals). We understand that with the increase in number of cases and direct exposure, it is important that we reevaluate our guidelines to do our best to keep everyone coming to worship as safe as possible. We are currently working on adjusting our guidelines as well as working on a contingency plan for moving forward. With the situation being so fluid and ever so changing, we are doing our best to stay up-to-date on what the CDC and MSDH are saying about how we can protect ourselves and others from this virus. Hopefully next week we will be able to give you some news regarding when and how we will be regathering.

As we continue to walk through this COVID-19 season, I want to remind you that God is in control. While we seek to be wise and careful in how we live, we must also not walk in fear. We must continue to trust the Lord and His purpose for this virus. God is sovereign. And God is good. May we as a church never forget that. God bless you!

"You keep him in perfect peace whose mind is stayed on you, because he trusts in you."

Isaiah 26:3
