I just wanted to let all of you know how much my husband and I appreciate all the prayer request you have said for all of our family. I truly believe that prayers heal the human body much better than care! I cannot tell you how much those little pieces of paper meant to us. The Dr. at Tulane was very proud of his work and told us post surgery there would be no pain, and there is NO Pain.
With many thanks for many prayer request. Thank you all so very much.
