Thank You

Dear Church Family,

There is just no way I can thank you all for all your thoughts and love to me during my surgery and care. The Lord has certainly blessed me during this time. I am still recovering and I do thank you all for your thoughts and especially your prayers. They were certainly felt! I still have two more visits to go and my prayer is that all of you will continue to remember me. Thank you so much for your visit, James and Penny. That really meant a lot to me! God bless you all is my prayer.
