Thank You

Dear First Baptist Church,

Dr. Michael Patterson, my brother, asked you to pray for me and my health. I am glad to report that I am improving each day. Thank you for your prayers. "I pray that we grow in grace and in the knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever. Amen" 2 Peter 3:18

Wayne Patterson

Dear FBC,

I would like to say a very special word of thanks to each of you that have been praying for us during this time in our lives. And, I would like to share with you what our loving God has done for me. Before my surgery, my CA-125 test which is a blood test that measures the amount of protein found in ovarian cancer, measured 844. After the surgery, it went down to 248, and after one chemotherapy treatment, it dropped to 25.9 which is in the normal range! There is no doubt in our minds that this is an answer to prayer. Please continue to remember us and others who are having difficulties in their lives. May God richly bless each and every one of you.
